

THE ONE NEW THING

_____ place at the table.

My safe food goes on the big spot. The new thing goes on the little one, not touching. Nobody makes it a big thing.

MY SAFE FOOD

_____

THE NEW THING

_____

One bite's worth. I can look at it, touch it, smell it. I don't have to eat it.

THE LADDER

6	I tried a bite
5	I licked it
4	I smelled it
3	I touched it
2	I looked at it
1	It's on my plate

Colour the paw the first time you get there. The bite gets the same paw as the lick.

MY TRIES

Colour a dot every time it is on my plate.
